How to Factory Reset Samsung Galaxy Tab A 10.1

A very quick guide on how to factory reset the Samsumg Galaxy Tab A 10.1

Written By: Nick Myers
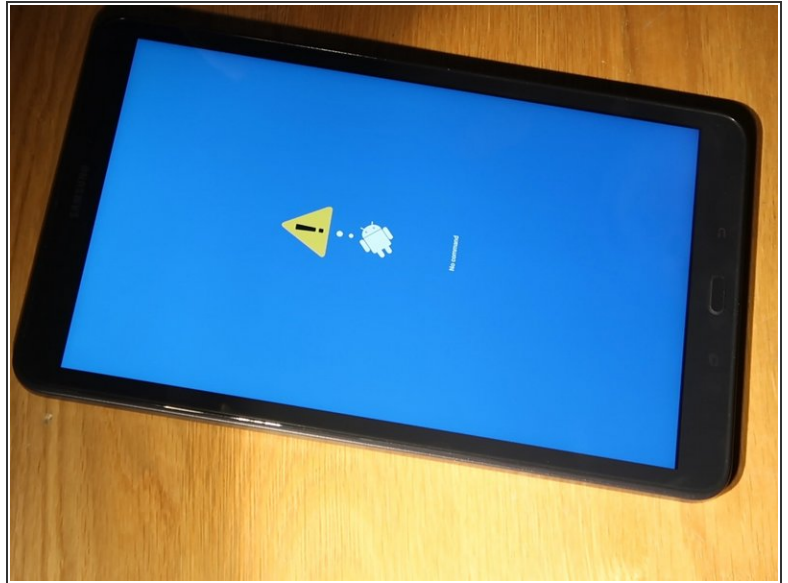

Step 1 — How to Factory Reset Samsung Galaxy Tab A 10.1

- Turn the tablet off

Step 2

- Hold down the home, power and volume up buttons.

- Once the Samsung logo shows on the screen release the power button

Step 3

- You will then see a screen that says installing system updates followed by no command. Dont press anything during these screens just wait.

Step 4

- Once you have the following screen use the volume down button to highlight "Wipe Data / Factory Reset"

- Press the power button to select it.

- Do the same process to select yes on the next screen

- You will then see confirmation at the bottom of the screen that the device has been wiped.
